SEPPOTE & WASHINGTON LET (M WASHINGTON, D. C., June 27, 1886. EDITOR JOURNAL-MINER-I Write you again from the national Capitol, this

me in mid summer. Congress is still hard at work, each and every one is fighting for some pet measure which he feels must be put through, or his constituency may rele-

A measure fraught with great interest | Safe Cure, but, owing to the circles in

al bill was introduced by Mr. Cobb, a democrat from Georgia and the caption edged world-wide, should save him. of the act was "A Bill to Repeal all laws providing for the pre-emption of the public lands, the laws allowing entries for timber culture, the laws authorizing the sale of desert lands and for other

purposes." This bill absolutely repeals the desert land act and timber culture, but when it came to the senate it was amended so as to allow persons to homestead and pre-empt lands as heretotore, aud to take a section of desert land provided he paid 25 cents an acre at the time the filing is made, and expends unnually \$1.00 per acre on the entire section for that can cure a case like his, has not been used by them. - Rochester, N. Y., Union and Advertiser. structing canal, and ditches over it or through it. In the aggragate he must expend \$1 per acre within three years after filing. If he fails to do so he shall

torfeit all the money so paid by having the land revert to the government. I went with Col. Bean over to the Bradshaw, W senate, and the Colonel labored hard Brook, E H with several senaturs to try and defeat | Bates, D C the measure, and it was his efforts, I Buffan Chasor Harry forward, C O believe that secured several amendments, Cook, E C which will probably have the effect of Largeton, J M defeating its final passage in the House that this body will refuse to concur in

these amendments. The territory of Arizona as well as other portions of the Pacific coast has a has been quite successful in many ways, and Secretary Whitney got a great deal of territory and will succeed if any one pasentatives now referes to per to-

A senate bill to restrict territories from creating an indebtedness greater than two per cent, of the assessed valuation in any one of them or the counties thereof, is also unjust to the territories, and I think Col. Bean will succeed in killing it in the committee, for he has had a promise from the chairman of the senate committee on territories, that before it is introduced, he shall have notice to appear and argue against the meassive republican efficials into a state of the side walk in front of the bouse, but ure. A written argument has been filed by Col. Bean which seems to cover the ground, and ought certainly to have some weight with the committee. 1 think Arizona's interests are being well cared for in Washington.

> The weather here is much warmer than it is in Prescott this time of the year usually, but the climate is not half as pleasant. I am glad that Prescott's prospects for a railroad are good, and although I can't come in July on a railroad. I think that some time during the year I shall be able to do so.

I was getting there with both feet, but when the government authorities ignored me entirely in their disposition of the surrendered hostiles, I shut up like an oyster, and haven't said a word about of the surrendered hostiles, I shut up like an oyster, and haven't said a word about of the surrendered hostiles, I shut up like an oyster, and haven't said a word about of the surrendered hostiles, I shut up like an oyster, and haven't said a word about of the surfering fellows, Actually a desire to releive human suffering, I will send free of charge to all who desire it, this recipe, in German in the city couseil has repealed the or in the follow-test short eight, alum or phosphate human suffering, I will send free of charge to all who desire it, this recipe, in German in the city couseil has repealed the or in the follow-test short eight, alum or phosphate human suffering, I will send free of charge to all who desire it, this recipe, in German in the city couseil has repealed the or in the follow-test short eight, alum or phosphate human suffering, I will send free of charge to all who desire it, this recipe, in German in the city couseil has repealed the or in the follow-test short eight, alum or phosphate human suffering, I will send free of charge to all who desire it, this recipe, in German in the city couseil has repealed the or in the city c

That man is alive and well to-day, yet he was given up as incurable with the same disease that is killing General

terday and in conversation about the General's care, he said:—
"I will give \$5,000 to any charitable in the State of New York.

fering."
"Now I want you to understand," he said, "that we do not profess to make new kidneys, but we do know from personal experience and from the experi-ence of many thousands of similar cases, that we can stop the consumption of the kidneys. Many a man has gone through life with one kidney without inconvenience. Thousands of people have lived a majority of their life with lung made. We do not make new kid-neys, but if the kidney is not consumed too much we can stop disease and prolong life if taken in time."
This offer comes from H. H. Warner,

proprietor of Warner's Safe Cure, of this city. Mr. Warner also said : "My dear sir. there are governors, senators, presidenprominent men and women all over the country whom I personally know have been cared of disease, such as General starty canopy of heaven above us, and our Winchester rifles for our brides. It seem inclined to dispute my right to exercise their functions. Of course, I shall keep my newspapers full of the dignation of my Tombstone creditors. But a fortunate rum or that I was to be governor led me finally to accept the seem inclined to dispute my right to Arizona came very near becoming a law last week. I refer to the desert land act.

A measure fraught with great interest which they move, they do not care to give public testimonial to the fact."

Mr. Warner is interested in General Arthur's case because he is personally and act.

The bill as passed the Hou e of Repaired the desert land act, and I shall derive consolation from the thought that although in New act, and timber culture act. The original to the circles in which they move, they do not care to give public testimonial to the fact."
